Comments:

As promised in our conversation earlier today, following herewith on the next five sheets is a copy of the final rejection mailed to your firm's old, Washington DC address on 18 March 2002.

The same action will be formally resent and the reply period restarted.

As I noted, the addressing problem is internal to the USPTO. Your change of address was correctly entered on 3 May 2001, and the first action was correctly mailed to your New York address on 6 June 2001.

I apologize for the addressing problem. We have begun the process of getting it corrected.
